ArtStreet AltPhoto

Learn all about photographic alternative processes from **Paula Kraus** as she leads a Wednesday Workshop at University of Dayton's Art Street. As space is limited in this popular series, please call 937 229.5101 to register in advance.

For more information, call 937 224.3822 or go online to www.daytonvisualarts.org. Large print checklists are available and sign language interpretation will be made available with 48 hours notice. The gallery is wheelchair accessible.

ARTISTS PAGES

We're excited to have the new Artists Pages area of our Web site up and running. As part of a three-year technology initiative, this new area has been developed to serve curators, collectors and casual art buyers. It will eventually include an online store, blogs of works in progress and catalogs of past works available for loan. These pages will also serve as a resource when selecting members' artwork to feature in our publications. Equally important, the pages offer artists an additional or primary venue in which to establish a web presence.

To facilitate getting the work of our members online, we will be conducting a series of workshops about uploading information and images, as well as making a computer available at our office for your use. For those of you who don't have images of your artwork, we'll also be offering photographic services. Please contact us for more information at 937 224.3822.

ARTIST IN RESIDENCE WRAP-UP

Our first Artist in Residence program with artist **Liliana Basarub** of Iași, Romania was a great success. We're thankful to have experienced her vision, process and artwork, and grateful to those who made it possible: residency coordinator **Susan Tyner**, studio space provider **Bill Foreman**, and sponsors **CEC ArtsLink**, the **Ohio Arts Council**, **Dayton Power & Light Co.** and **The Lombard Fund**.
